MEMORANDUM FOR: Director, National Photographic Interpretation Center

FROM: Robert W. Gambino
Chairman

SUBJECT: Moscow Security

25X1

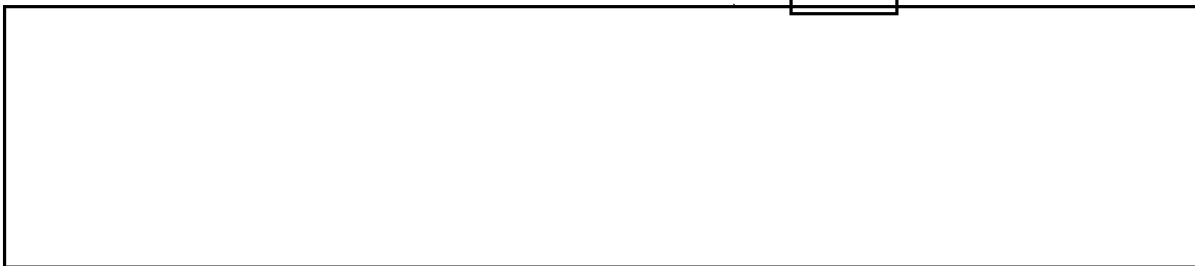

1. The United States and the Soviets are in agreement on new construction projects for Embassies and living accommodations in Moscow and Washington. In Moscow, the site for the US Embassy has been cleared, the corner stone laying has occurred and construction will commence soon.

25X1

2. The DCI has expressed considerable interest in security features of the new Embassy. The DCI's Security Committee has developed and obtained full coordination on a comprehensive plan for maintaining security of the new US facilities during construction.
